

KMBA

KeyMod BIPOD ADAPTER
for Harris Bipods

We sell our own line of adapters and combos custom designed
& manufactured to fit Harris Engineering bipods.

INSTALLATION + INSTRUCTIONS

Always ensure that your firearm
is unloaded prior to installation

KMBA KeyMod Bipod Adapter

- 1.** Loosen screws but do not remove. Place the adapter onto the handguard, MIM facing toward muzzle. Drop the stainless steel stud into the large end of the KeyMod slot. The stainless steel stud will be facing the small end of the slot.
- 2.** Slide the adapter forward until it stops, press down to ensure it is flush to the handguard, tighten down the screws with hex tool provided (3/32).

Limited Warranty

Guaranteed forever from date of purchase against defects in materials and workmanship. Guarantee does not extend beyond replacement or repair of adapter. MIM Manufacturing has no control over and assumes no responsibility for manner in which adapters are used. Prices and specifications are subject to change without notice.

- Patent Pending -
