

MLBA

M-Lok® BIPOD ADAPTER

for Harris Bipods

We sell our own line of adapters and combos custom designed
& manufactured to fit Harris Engineering bipods.

INSTALLATION + INSTRUCTIONS

Always ensure that your firearm
is unloaded prior to installation

MLBA M-Lok® Bipod Adapter

1. Loosen screws but DO NOT remove. Ensure T-nuts (stainless steel) are inline with M-Lok® slot. MIM should face towards the muzzle.
2. Place into desired slot and tighten screws until adapter is secure to handguard with hex tool provided (3/32).

Note: Ensure the T-nut rotates the full 90 degrees into the locked position.

Limited Warranty

Guaranteed forever from date of purchase against defects in materials and workmanship. Guarantee does not extend beyond replacement or repair of adapter. MIM Manufacturing has no control over and assumes no responsibility for manner in which adapters are used. Prices and specifications are subject to change without notice.
