

RotaPod[®] **KMRA**

KeyMod BIPOD ADAPTER
for Harris Bipods

We sell our own line of adapters and combos custom designed
& manufactured to fit Harris Engineering bipods.

INSTALLATION + INSTRUCTIONS

Always ensure that your firearm
is unloaded prior to installation

RotaPod® KMRA KeyMod Bipod Adapter

1. Place rifle on a flat surface with the bottom of the hand-guard facing up. Position KeyMod adapter on top of handguard with the arrow pointing towards the muzzle. Place the stainless studs into the large (round) hole of the KeyMod slot.
2. Slide the adapter forward until it stops, press down to ensure it is flush to the handguard, tighten down the screws with hex tool provided. (9/64)

Limited Warranty

Guaranteed forever from date of purchase against defects in materials and workmanship. Guarantee does not extend beyond replacement or repair of adapter. MIM Manufacturing has no control over and assumes no responsibility for manner in which adapters are used. Prices and specifications are subject to change without notice.
